Overworked Nerves

and wasting vitality make their presence known through headaches, dizziness, inability to sleep, loss of appetite and a general run-down condition of the system. These signs are sometimes accompanied by neuralgia, hysteria, rheumatism or nervous prostration in some other form. To remove these troubles, cure the nerves. They need feeding, strengthening and building up, and nothing will do this so quickly and so surely as Dr. Miles' Nerve. This truly remarkable medicine is gaining hundreds of new friends every day. Here is a surveyor from Decatur, Ind., Mr. G. E. McKean, who writes: "A chronic stomach trouble, which my physician was unable to overcome, so wore on my nervous system that I broke down with nervous prostration. I could not sleep day or night except in fitful naps; could scarcely eat any kind of food and wasted away to a mere shadow. After spending over \$500.00 in a vain search for relief, I was prevailed upon to try Dr. Miles' Nerve. Relief came immediately. I took six bottles and today am a well man." Dr. Miles' Nerve is sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.

SENDING EXHIBIT TO OSAKI SHOW

LOCAL PEOPLE WILL HAVE HAWAIIAN ISLANDS REPRESENTED AT THE JAPANESE EXHIBITION.

The exhibit of Hawaii at the coming exposition at Osaka, Japan is now ready and will be shipped to its destination on the S. S. Korea tomorrow. The ship, which will be under the command of the Hawaiian Islands, will number fifteen pieces.

The largest division consists of the various products of the islands. The list includes shal, kukui nuts, kukui nut oil, awa root, guava and poha jelly, fiber for Hawaiian hats, preserved bananas and pineapples, preserved sugar cane, sugar, mineral water, coffee, tamarinds, vanilla extract, pia or arrow root, orka seed, taroena, papaya, citron, tobacco and oolong fiber. Allan Harbert is the chairman of this committee. W. M. Giffard the chairman of the photographic feature of the exhibit has secured some fine views of interesting scenes about the islands, while W. Harris the chairman of the committee on Hawaiian woods has gathered fine specimens of all varieties.

Steps have already been inaugurated to have a larger exhibit at the St. Louis Exposition.

NAVAL HEROES HERE.

Lieutenant Victor Blue is aboard the Korea en route to the Orient to be attached to the Asiatic station. He is the flag lieutenant of Admiral Philip H. Cooper who is also aboard the Korea, enroute to relieve Admiral Wilder the second in command of the Asiatic station. Lieutenant Blue is the man who was detailed by Admiral Schley to reconnoitre about Santiago and determine positively if Cervera's vessels were inside the harbor. Lieutenant Blue did so and positively confirmed the fact. Admiral Cooper says that within about a month's time the battleship Wisconsin will arrive here en route from the Coast to the Asiatic station and a little later the battleship Ohio which is a new vessel will also touch at Honolulu en route to the Orient.

A PUNA KAHUNA.

Hilo, January 22.—It is reported that a kahuna is at work among the natives of Puna and that he has by the artifices and tricks of an old trade in these islands, preyed upon the believing natives of that vicinity to the sum of several hundred dollars. This kahuna, so it is reported, mixes modern quackery with the mysteries of an Ancient Hawaiian institution. He claims to be licensed by the Board of Health and performs his cures by the laying on of hands. It is reported that he treats consumption with an altogether new method. It is a severe case, he said that the lungs had all disappeared except one small piece which is suspended by a string which permits it to swing like a pendulum in the chest. If this string stretches and permits this remnant of lung to touch the liver, death would instantly result. The kahuna had some powerful herbs which if taken would shorten the string thus insuring the life of the patient. The kahuna is liberal according to reports, making no charges, but taking whatever his thankful patients are willing to give.—Hilo Tribune.
